A BIT ABOUT ME

I am an author, inspirational speaker, and intuitive.

In 2020, I wrote my debut novel, *Katie, A New Chapter*, a self-help work of fiction based on my life experiences. I touch on mental health, abuse, and trauma in my story. Working recently in a prison I have seen many breakthroughs with the men. I am also proud to say the book has helped to save a life.

I love writing for enjoyment and to facilitate the healing process for myself and others. I often use writing to help channel spiritual messages. My second novel, *Tom, The Next Chapter* was published in 2022. My first romance novella, *Falling in Love at 40*, was published in 2024.

A BIT ABOUT ME

As an inspirational speaker, I openly share my story and speak on topics including:

- *Being your authentic self,
- *Building your confidence and,
- *Developing good mental wellbeing.

My talks are interactive so make sure you have a pen and a piece of paper. I also help you tell your story using creative writing.

Very often, it only requires a small change to make all the difference in your life. I'm here to help you change the areas you feel stuck in or struggle with. A change in one area will undoubtedly improve other areas of your life. Career, health, wealth, and relationships, to name but a few.

A BIT ABOUT ME

I am open to collaborations and strive to bring love, light, and inspiration to those around me.

In my spare time, I love to sing, walk, and read.

If you're drawn to contact me, please email me or book a video call with me.

Lots of Love, Light & Gratitude
